

Million Little Miracles

All my life I've been carried by grace
Don't ask me how 'cause I can't explain
It's nothing short of a miracle I'm here
I've got some blessings that I don't deserve
I've got some scars but that's how you learn
It's nothing short of a miracle I'm here

I think it over and it doesn't add up
I know it comes from above

I've got miracles on miracles, a million little miracles, yeah
Miracles on miracles, count your miracles
One, two, three, four, I can't even count 'em all
Yeah

You held me steady so I wouldn't give up
You opened doors that nobody could shut
I hope I never get over what You've done
I wanna live with an open heart
I wanna live like I know who You are
I hope I never get over what You've done
It's not coincidence and it's not luck
I know it comes from above

I've got miracles on miracles, a million little miracles
Miracles on miracles, count your miracles
One, two, three, four, I can't even count 'em all
Miracles on miracles, a million little miracles, yeah yeah
Miracles on miracles, count your miracles
One, two, three, four, I can't even count 'em all

I can't even, I can't even count 'em all
I can't even, I can't even count 'em all
I can't even, I can't even count 'em all
One, two, three, four, I can't even count 'em all
(Yeah, I can't even count 'em all)
I can't even, I can't even count 'em all
(I try and I can't keep up)

I can't even, I can't even count 'em all
(Yeah, I can't even count 'em all)
I can't even, I can't even count 'em all
(Count 'em)
One, two, three, four, I can't even count 'em all
(Like when You healed my mother)
I can't even, I can't even count 'em all
(When You redeemed my father)
I can't even, I can't even count 'em all
(Even in the death of my brother)
I can't even, I can't even count 'em all
(You are closer than no other)
One, two, three, four, I can't even count 'em all
(Oh, You broke my chains, You saved my life)
I can't even, I can't even count 'em all
(You set me free, You gave me victory)
I can't even, I can't even count 'em all
(Oh, I can't even count 'em all)
I can't even, I can't even count 'em all
(You kept my mind on you)
I can't even, I can't even count 'em all
(You heal my body, Jesus)
I can't even, I can't even count 'em all
(Oh, I can't even count 'em all)
I can't even, I can't even count 'em all
(I try and I can't keep up)
I can't even, I can't even count 'em all
('Cause every day, there's a new miracle)
I can't even, I can't even count 'em all
(I've got breath in my lungs)
I can't even, I can't even count 'em all
(I got clothes on my back)
I can't even, I can't even count 'em all
(My mother would say I've got food on my table)
I can't even, I can't even count 'em all
(Lord, I know that You're able)
I can't even, I can't even count 'em all
(Said I can't even)
